

What are the **technology enablers** for cross-border solutions?

V2X Message Routing and MNO

The logo for 5GMED features the characters '5', 'G', 'M', 'E', and 'D' in a bold, sans-serif font. Each character is filled with a color gradient and contains a pattern of fine, white, curved lines that suggest motion or data flow. The '5' is yellow, 'G' is light green, 'M' is medium green, 'E' is light blue, and 'D' is dark blue.
